natures purest

By choosing 100% organically and naturally grown cotton products from Natures Purest, you're giving your baby the healthiest and best start in life. The organically grown cotton jersey used in their nursery collection is produced without the use of dyes or chemical pesticides to make the most wonderful natural and pure fabrics. The feel of the finished product is so soft and gentle – just right for your newborn baby. Call **1300 667 137** for more information.

bubba moe

Bubba Moe's baby slings are designed for parents on the go, at home or when comfort is the order of the day, allowing you to be hands-free while your baby shares in your day's activities. The slings let you carry your baby seven different ways and can accommodate growth up to three years old. Soft cotton, padding, a unique banana shape and innovative safety tether ensures comfort and security for both babies and parents. Call **(02) 4578 3401** for more information.
