# Playtime with Sleepy Safari. It's only natural.

Introducing 'Sleepy Safari' from **natures purest**, a collection of soft and cuddly toys made from pure, natural cotton. All **natures purest** products are made from 100% organically grown cotton, naturally coloured without using nasty chemicals or dyeing agents. **natures purest** products are better for the environment and safer against your baby's sensitive skin. It's only natural that you want the very best for your baby. With **natures purest** that's our promise to you.

Available from David Jones and selected nursery specialists. For your local stockist call 1300 667 137.
